Corporate and events portfolio · 2026

15+
years live

Live at sunset, Startrader

✦ ABOUT RANIA

An artist who draws the room, live

Trained at the Lebanese University of Fine Arts, Rania has drawn live at events, festivals, museums and brand activations across the GCC for more than 15 years, for clients from Montblanc to Formula One in Abu Dhabi.

She sets up among your guests and draws each one in minutes, on cards printed with your brand. Every guest leaves with a personal piece of the evening.
